Beloved in Christ,

*Enjoy your steak on the fast-free Friday, tomorrow!*

The Pharisee had boasted before God about his fasting, as we heard last Sunday. Thus, when we fast, we must do so in humility. Lent is about humility, and it's coming soon.

For this coming Sunday, our second pre-Lent preparation Sunday, the *Synaxarion* says that our Lord gave the parable of the Prodigal Son in the Gospel to illustrate three things for us: 1. the condition of the sinner, 2. the rule of repentance, and 3. the greatness of God's compassion.

Those who have committed great sins, and have persisted in them for a long time, often fall into despair, thinking that there can no longer be any forgiveness for them. Being without hope, they fall every day into the same sins and even worse iniquities. This parable shows them the surpassing goodness of God's compassion and teaches them that there is no sin—no matter how great it may be—that can ever turn away God's love for them. They only need to come with repentance and confession, and they will find out.

Lent is our journey back to the House of the Father.

The last day we eat meat will be March 7. Then we begin the Great Fast proper by eliminating cheese (i.e., dairy products) and fish after Forgiveness Vespers, Sunday evening on March 14.

We look forward to a full Lenten schedule for our journey together (see Lenten service schedule below). Studies have shown that Orthodox services are beneficial to your physical and emotional health as well as to your soul. In particular, incense has been in the news; of course, we use lots of incense in all our services.

***Depressed? ..... Go to an Orthodox Church!***

*(As usual, science confirms that God knows what He is doing!)*

*Researchers have found components in incense to be psychoactive. Scientists from Johns Hopkins University and The Hebrew University in Jerusalem have found that burning resin from the Boswellia plant (frankincense) activates certain ion channels in the brain that relieve depression and anxiety. They have tested this on mice and have found that a protein called TRPV3 is activated when exposed to incense.*

*The vast majority of Americans who suffer from either Anxiety or Depression, sometimes both, now have a very simple solution right under their noses. Go to church! So, the next time you are in church, take a nice long deep whiff of the smokey stuff, and try not to sneeze too much. It is a medical fact that incense is an antimicrobial. It appears to purify the air.*

*In addition, you can buy a censer and incense, and begin to cense your home every day. Let your prayer rise like incense before God daily so that the heavens may pour back onto you His mercies.*

*Nick Damascus*

With love and blessings in Christ,

+Fr. Nabil

## **Byzantine music notation and theory virtual lessons, available in both English and in Arabic, for beginners and intermediate chanters.**

This is a comprehensive program that will train students in necessary skills to become competent chanters. Students will learn about Byzantine modes, the scales they use, the different types of chant and what to chant during each service.

The lessons will follow a systematic curriculum, based mainly on the curriculum developed by master chanter Father Romanos Joubran, choir director and teacher at the Beirut Orthodox Choir (used with permission).

Students will be tested and graded periodically, and will advance through the curriculum accordingly.

Each class will meet once a week on Zoom, on a weekday, with specific timing to be agreed upon with each group.

These group classes are free of charge and open to everyone. Private lessons are also available.

The lessons will be taught by Patrick Haddad, first chanter at St. Nicholas Antiochian Cathedral of Los Angeles, former teacher at the School of Ecclesiastical Music of Mount Lebanon, and former member of the SEM Mount Lebanon Choir and the Theotokos Orthodox Choir of Beirut.

For additional questions or to enroll in the classes, please contact Patrick here:

## Remember to sign up for every service

It is important so that:

- You won't drive all the way to church and find we're already at capacity.
- We will know who was here and so we will notify you if it turns out—God forbid—that someone who came down with CoViD was in church the same day you were.
- If you get sick, please be sure to let us know, so that we will pray for you and can help you and your family with whatever you may need as well as alerting others.

## Summary of Our Plan for Indoor Worship

We will keep doors and windows open, and we'll have the HVAC fans going continuously.

Part of the price of going back inside is that we need to adhere *strictly* to procedures.

- **You must sign up in advance to attend services.** We need to limit capacity, and we also don't want anyone to drive all the way to church and be turned away because we reached our limit. [Sign up for Services at St Nicholas Cathedral \(stnicholasla.org\)](https://stnicholasla.org) up until 7 am the day of the service.
- **Please stay home if you have a fever, cough, sneezing, runny nose, etc.,** have tested positive for the coronavirus, or been exposed to someone who might have coronavirus within the last 10 days.
- **Elderly, infirm, diabetics, and those who have asthma, heart conditions or compromised immune systems or any chronic illness are strongly advised NOT to come to Liturgy** but to participate via livestream services and then to schedule an appointment to come and partake of holy Communion privately.
- Those who have **children who might be hard to control**, who might run around and touch people or surfaces, are also advised to participate via livestream and then to schedule an appointment to come and partake of holy Communion.
- We will do a very quick **screening of everyone who comes to church**, including taking your temperature without touching you.
- **The faithful are required to wear face masks** at all times, except when partaking of communion and except for children under 5 years of age.
- **We will practice distancing in the church building.**
  - Come in only through the narthex; exit only via the chapel door.

- We will maintain only one-way movement, so you never have to cross anyone else's path.
- Enter and be seated via the center aisle. The center aisle will be used only for movement *toward* the altar. Westward movement (*away* from the altar) will be via the outside aisles.
- Members of the same household may sit together. Ushers will seat you, one household per pew. To maintain maximum distance, they will seat you in alternate ends of the pews, from row to row.
- Please leave your tithes and offerings in the box in the narthex, as we will not pass any collection baskets.
- We will have our cleaning crew sanitize the building thoroughly before each service.
- Call or email Fr. Nabil directly (at [frnabilh@stnicholasla.com](mailto:frnabilh@stnicholasla.com)) for an appointment to come privately for Communion.
- **Please use a provided Clorox towel to wipe down surfaces before AND after you use the bathrooms.**
- Note that coffee hour and all non-liturgical gatherings are not resuming at this point. Organizational meetings, Bible studies, etc., will continue online.
